 - a. Please fill out the Film's metadata in a form to be approved by MUBI
6. **** High resolution poster ** - to be discussed**
 - a. Key art should be delivered as layered file compatible with Adobe Photoshop.
 - b. Size: Din A1
 - c. Resolution: 300 dpi
 - d. If the Artwork is not in English, a separated file with the English translation must be delivered

A.3. CREDIT AND ABOVE THE LINE MATERIALS

To be delivered electronically to MUBI

1. **** Complete Original Dialogue List with character names ****
2. **** English subtitle files ****
 - a. *Reel by reel* in .srt and .xml format 100% synchronized with item A.1.1 Digital Cinema Package
 - b. *Assembled* in .srt format 100% synchronized with item B.1.4. 24fps - H.264 MP4 Master
3. **** Official billing block with logos ****
 - a. One word doc of the final billing block including all required logos and the **copyright notice** of the motion picture
 - b. Each logo shall be delivered as an EPS file and as JPEG and/or PDF file and shall be delivered independently of the billing block

PART B – STANDARD MATERIALS

(TO BE DELIVERED WITHIN 4 WEEKS AFTER

THE DATE OF THE INTERNATIONAL PREMIERE)

B.1. FEATURE - VIDEO

To be delivered electronically to MUBI

1. Theatrical materials' textless backgrounds:

- a. Only for the sequences containing graphics or text (not subtitles) over the Picture's image.
- b. Delivered as an image sequence separately from the DCP
- c. Format: JPEG 2000
- d. Colorspace: XYZ
- e. Aspect ratio: matching the DCP
- f. Files compressed into a unique ZIP file won't be accepted.

2. **** 24 fps - HD Original Version Master **** of the feature:

- a. Format: Apple Prores HQ 444 or 422
- b. Colorspace: Rec 709
- c. Resolution: 1920 x 1080
- d. Original Aspect Ratio
- e. Fields: Progressive
- f. Framerate: 24fps
- g. Original Version **without any subtitles**
- h. Assembled file (not in reels)
- i. For all titles and captions over image, textless backgrounds must be provided at the tail of the program
- j. Created from the original DI-Files (DPX)
- k. In perfect synchronization with the DCP
- l. Film leader at the beginning of the file with a 2-pop (48 frames) before the start of the film
- m. All audio mixes must be embedded at 48kHz and 24bit according to the following audio layout:
 - i. Tracks 1-6: Original Version Mix, 5.1
 - ii. Tracks 7-8: Original Version Mix, 2.0, TV-Levels (EBU-R128)
 - iii. Tracks 9-10: Music and Effects Mix, 2.0

3. **** 25 fps - HD Original Version Master **** of the feature:

- a. Format: Apple Prores HQ 444 or 422
- b. Colorspace: Rec 709
- c. Resolution: 1920 x 1080
- d. Original Aspect Ratio
- e. Fields: Progressive
- f. Framerate: **25fps**
- g. Original Version **without any subtitles**
- h. Assembled file (not in reels)
- i. For all titles and captions over image, textless backgrounds must be provided at the tail of the program
- j. Created from the original DI-Files (DPX)
- k. In perfect synchronization with the DCP
- l. Film leader at the beginning of the file with a 2-pop (48 frames) before the start of the film
- m. All audio mixes must be embedded at 48kHz and 24bit according to the following audio layout:
 - i. Tracks 1-6: Original Version Mix, 5.1
 - ii. Tracks 7-8: Original Version Mix, 2.0, TV-Levels (EBU-R128)
 - iii. Tracks 9-10: Music and Effects Mix, 2.0

4. **** 24fps - h.264 MP4 Master **** of the feature:

- a. **Assembled** file (not in reels) created from the original DI-Files (DPX) in perfect synchronization with the DCP
- b. **Container:** mp4
- c. **Codec:** h.264
- d. **Resolution:** 1920x1080p
- e. **Bitrate:** between 12 Mbit/s and 15 Mbit/s

- f. **Aspect ratio:** original aspect ratio
 - g. **Framerate:** 24fps (unless otherwise stated by MUBI)
 - h. **Subtitles:** image must be free of subtitles
 - i. **Audio:** stereo
5. **** 24fps - h.264 MP4 Master with English subtitles**** of the feature:
- a. **Assembled** file (not in reels) created from the original DI-Files (DPX) in perfect synchronization with the DCP
 - b. **Container:** mp4
 - c. **Codec:** h.264
 - d. **Resolution:** 1920x1080p
 - e. **Bitrate:** between 12 Mbit/s and 15 Mbit/s
 - f. **Aspect ratio:** original aspect ratio
 - g. **Framerate:** 24fps (unless otherwise stated by MUBI)
 - h. **Subtitles:** with burnt in English subtitles
 - i. **Audio:** stereo

B.2. FEATURE - AUDIO

To be delivered electronically to MUBI

All audio materials must be **48-kHz, 24-Bit**, delivered as **.wav-files on a separate Hard Drive**.

1. ****24 fps 5.1 Music and Effects Mix**** for cinema dubbing
 - a. Type: 6-track (5.1)
 - b. Format: .wav files
 - c. Framerate: 24fps
 - d. Separated reel by reel
 - e. In perfect synchronization with item A.1.1. Digital Cinema Package
 - f. Additional dialogue track (2-track) for reference purposes.
2. ****25 fps 5.1 Music and Effects Mix**** for DVD dubbing
 - a. Type: 6-track (5.1)
 - b. Format: .wav files
 - c. Framerate: 25fps
 - d. assembled
 - e. In perfect synchronization with item B.1.3. 25fps - HD Original Version Master
 - f. Additional dialogue track (2-track) for reference purposes.
3. ****24 fps 2.0 Music and Effects Mix**** for TV dubbing
 - a. Type: 2-track (2.0)
 - b. Format: .wav files
 - c. Framerate: 24fps
 - d. assembled
 - e. In perfect synchronization with item B.1.2. 24fps - HD Original Version Master
4. ****25 fps 2.0 Music and Effects Mix**** for TV dubbing
 - a. Type: 2-track (2.0)
 - b. Format: .wav files
 - c. Framerate: 25fps
 - d. assembled
 - e. In perfect synchronization with item B.1.3. 25fps - HD Original Version Master
5. ****24 fps 5.1 Original Version Printmaster**** for Cinema
 - a. Type: 6-track (5.1)
 - b. Format: .wav files
 - c. Framerate: 24fps
 - d. Separated reel by reel
 - e. In perfect synchronization with item A.1.1. Digital Cinema Package
6. ****25 fps 5.1 Original Version Mix**** for DVD
 - a. Type: 6-track (5.1)
 - b. Format: .wav files
 - c. Framerate: 25fps
 - d. Assembled
 - e. In perfect synchronization with item B.1.3. 25fps - HD Original Version Master

7. ****24 fps 2.0 Original Version Mix**** for TV
 - a. Type: 2-track (2.0)
 - b. Format: .wav files
 - c. Framerate: 24fps
 - d. Levels: EBU-R128
 - e. Assembled
 - f. In perfect synchronization with item B.1.2. 24fps - HD Original Version Master
8. ****25 fps 2.0 Original Version Mix**** for TV
 - a. Type: 2-track (2.0)
 - b. Format: .wav files
 - c. Framerate: 25fps
 - d. Levels: EBU-R128
 - e. Assembled
 - f. In perfect synchronization with item B.1.3. 25fps - HD Original Version Master
9. ****24 fps 5.1 Dialogue, Music and Effect Stems****
 - a. Type: 6-track (5.1)
 - b. Format: .wav files
 - c. Framerate: 24fps
 - d. Assembled
 - e. In perfect synchronization with item A.1.1. Digital Cinema Package
10. **Complete Music** of the film including the score and songs (including third party recordings). The cues must be complete, without dips, fades or cut offs. Each music piece must be delivered in its own separate file and should be clearly labelled matching the information entered in the item B.3.5. Music Cue Sheet.
11. **UPON WRITTEN REQUEST: A protocols session** containing all mixes must be delivered in addition to the audio files.

B.3. RECORDS & LEGAL DOCUMENTATION

To be delivered electronically to MUBI

1. ****Certificates of Nationality/ Origin****: A certificate from the competent government authority, certifying the nationality of the Picture.
2. **Chain of Title**:
 1. Any appropriate documents evidencing the fully executed Chain of Title.
 2. Legal opinion letter: provided by expert counsel confirming clearance of final version as relevant to any connections to true events or real people referred to in the Picture, and advising whether any claims or concerns been publicly or privately expressed with respect to any portrayals of real individuals in the picture
 3. Agreements: a comprehensive delivery of all screenplay, book or stage play option/purchase agreements, as well as any development, reversion and/or turnaround agreements, writer agreements, producer/production company agreements, financier agreements, and director agreements (and all corresponding short form licenses/assignments/agreements). Where applicable, these should be provided translated to English alongside the original (mandatory, but a Deepl translation is fine) and proof of payments to be supplied.
 4. Copyright and title search report: A copyright report and a title search report with accompanying legal opinion(s), as applicable, dated no earlier than the date that the rights granted to MUBI(to be discussed but ideally conducted by MUBI's preferred vendor, Compumark).
3. ****Music Cue Sheet****: A music cue sheet stating for each composition in the Picture (form provided by MUBI).
4. ****Feature's and trailer's music licenses****: Electronic Delivery (e.g., MS Word [.doc, .rtf] or Adobe .pdf format) of all licenses, contracts, assignments and/or other written permissions from the proper parties in interest permitting the use of any musical material of whatever nature used in the production of the Picture including, without limitation, synchronisation and master use licenses; proof of payment of all such licenses and agreements to be included. Each file should be clearly labelled matching the information of item B.3.3 Music Cue Sheet.
5. **IF APPLICABLE, Third party materials cue sheet** A third party cue sheet itemising all footage or other material from any third-party source (including, without limitation, other motion pictures or television) for each such clip or use and containing language preventing any licensors, publishers or rights holders from seeking injunctive or equitable relief in connection with any contractual breach, alleged or otherwise. If third party materials are not licensed, production requires a signed opinion letter from production's attorney attesting to it's fair use and verification this letter was supplied to an E&O insurer and is covered under their E&O policy.
6. **Third party licenses and proofs of payment** To include a full buy-out basis in all media now known or hereafter devised, in perpetuity throughout the universe without future payment obligations.

7. **Fully executed Laboratory Access Letter** as attached forming part of the Long Form Agreement.
8. **Cast and Technical Personnel List:** One (1) list of the name(s) and phone number(s) of contacts of the cast and technical personnel who rendered services on the Picture, including managers, agents and publicists for the principal cast members and other personnel appearing or rendering services in connection with the Picture to assist MUBI in coordinating promotional activities.
9. **IF APPLICABLE, Product Placement Letter:** Detailing all product placement in the picture.
10. ****Screen Credits**:** A list of the complete final main and end credits as they ultimately appear on screen; as well as a separate list of all non-contractual screen credits as they pertain not only to theatrical exploitation, but exploitation via non-theatrical methods, video and television as well.
11. ****Paid Advertising Credits**:** such statement shall include the full text of all contractual credit obligations, a layout of screen and advertising credits fully authorised by Licensor. Credits must comply with all applicable guild and union requirements and the applicable individual employment agreements for any person or entity accorded credit therein.
12. **IF APPLICABLE, WGA Credits:** If the Picture is produced under the jurisdiction of the Writer's Guild of America, (i) a copy of the Notice of Tentative Writing Credits, (ii) and evidence that the on-screen credits were submitted to and accepted by the WGA pursuant to paragraph 8 of Theatrical Schedule and (iii) a proof that payment of the script publication fee has been paid. If the credits were submitted for a WGA Credit Arbitration, a copy of the letter setting forth the final writing credits as determined by the WGA Credits Committee.
13. **IF APPLICABLE, DGA Credits:** If the Picture was produced under the jurisdiction of the Director's Guild of America, (i) a copy of the letter or other documentation from the DGA approving the list of screen credits for the Film submitted to the DGA pursuant to Article 8-201 of the DGA Basic Agreement and (ii) a CRD determination letter" from the DGA which states which below the line DGA members the guild has determined are entitled to screen credit and residuals.
14. ****Dubbing/Subtitling Statement**:** A written statement signed as approved by the Licensor of all restrictions applicable to the dubbing and subtitling in contracts of cast members relating to replacement of any player's voice, including dubbing of dialogue in a language other than the language in which the Picture was originally recorded.
15. ****Cutting/Editing Statement**:** A written statement signed as approved by the Licensor of all restrictions applicable to the cutting/editing of the Picture.
16. ****Contractual Talent Obligations and Restrictions** including but not limited to stills, likeness, BTS, Bloopers, Nudity, Key Art, press, commercial tie-in, merchandising.
17. ****Preview/Premiere/Publicity Statement**:** A written statement signed as approved by the Licensor of all restrictions and obligations as they apply to previews, premieres and publicity including, but not limited to, any transportation, accommodation and per diems for cast and crew (as applicable).
18. ****IF APPLICABLE, Box Office/Awards Payment Statement**:** A written statement signed as approved by the Licensor of Any contractual so-called "box office kickers" or bonus payments (award or otherwise) that may become payable to any cast and/or crew.
19. ****IF APPLICABLE, Back End Participant Statement**:** A written statement signed as approved by the Licensor of any contractual participation (net profit, gross, adjusted gross positions etc.) in connection with the Picture and/or the exploitation thereof.
20. **Guild Affiliation Letter:** A signed letter from [Grantor/Licensor] that either: (a) lists all guilds and/or unions whose members rendered services on the Picture; or (b) affirmatively states that no members of any guilds and/or unions rendered services on the Picture.
21. ****IF APPLICABLE, SAG-AFTRA Final Cast Report:** If the Picture was produced under the jurisdiction of SAG-AFTRA, a copy of the completed final cast report covering all performers on the Picture, including without limitation any stunts, singing, looping and/or voice-over services in post-production
22. ****IF APPLICABLE, SAG Timecards or Payroll Journals**
23. **Deletion Notices – If Any**
24. **Residual Worksheet:** A completed residual worksheet and Form D, along with the production payroll records showing the respective social security numbers, addresses, compensation and evidence of payment in full, the number of days worked, the loan-out information where appropriate.
25. **All crew agreements** for those crew members who are entitled to payment of residuals including IATSE agreements and/or Post- 60's if applicable, all contracts for all AF of M members (if applicable), a non-union final cast report (if applicable) and all other information and documentation required under the residual worksheet.
26. **Talent Agreements:** Copies of fully executed agreements for all principal cast including SAG contracts, writer agreements director agreement (including all DGA deal memos, SSN, and applicable corporation information), cameo appearances and key crew. Without limiting the foregoing, fully executed agreements for every individual and/or entity that is to receive credit (including without limitation logo credit) in the main titles or in paid advertising must be delivered. All agreements and releases must be freely assignable and include work-for-hire language and language that prevents injunctive relief. A clear list of foreign Talent with days worked and compensation in local currency for proration – If applicable.
27. **ISAN Number:** A statement indicating the internationally recognized and permanent reference number for the picture registered in the ISAN system.

PART C – SUBSEQUENT MATERIALS

(DEPENDENT ON THE SPECIFIC CHARACTERISTICS

OF A PICTURE – TO BE MUTUALLY AGREED ON WITH MUBI)

C.1. PROMOTIONAL MATERIALS

To be delivered electronically to MUBI

- 1. Trailer (to be discussed)** - technical specifications to all following items as detailed in Part A and B where equivalent material is defined for feature:
 - a. Trailer HD O.V. Master:**
 - i. Apple ProRes 422 HQ File 24fps 1920 x 1080p original aspect ratio
 - ii. The image must be free of subtitles
 - iii. Audio: Tracks 1 - 2 stereo mix (2.0); tracks 3 - 8 5.1 mix
 - b. Trailer HD English subtitled Master:**
 - i. Apple ProRes 422 HQ File 24fps 1920 x 1080p original aspect ratio
 - ii. The image must be free of subtitles
 - iii. Audio: Tracks 1 - 2 stereo mix (2.0); tracks 3 - 8 5.1 mix
 - c. Trailer textless elements:** If applicable, for all titles and captions over image, textless backgrounds must be provided as an "Apple ProRes 422 HQ File 24fps 1920 x 1080p original aspect ratio" feed.
 - d. Trailer audio:** audio materials must be 48-kHz, 24-Bit, delivered as separate .wav-files:
 - i. *Original Version mix for cinema:* 6-track .wav files, 24fps
 - ii. *Stems of Dialogue, Music & Effects (D/M/E):* 5.1, .wav files, 24fps
 - e. Trailer documents:**
 - i. *Original dialogue List*
 - ii. *English spotting list*
 - iii. *English subtitles (in .srt format)*
 - iv. *Music Cue Sheet:* A music cue sheet stating for each composition in the trailer (form provided by MUBI)
- 2. Logo transfer:** If applicable, one (1) photo mechanical transfer (or some acceptable equivalent) and/or open files of the static and/or animated project of the title logo of the Picture.
- 3. Bonus Materials:** (if and when available)
 - a.** any cast/director/producer interviews behind-the-scenes and B-roll footage, "featurettes" or "making of..." and TV specials including a dialogue list.
 - b. Making of photos:** Physical Delivery of all available behind-the-scenes pictures in digital format of 300 dpi at 8x10 inch TIFF format.
 - c. Such other publicity, promotional and exploitation material** as Licensor may have in its possession if requested by MUBI.
 - d. Documentation on bonus material must be provided:** e.g. Music cue sheet for Making Of or credit list / chain of title for such material if different from the Picture.

C.2. RECORDS & DOCUMENTATION

1. **Combined Dialogue and Continuity Spotting List**
2. **Age rate certificate:** Domestic equivalent to German FSK or US MPAA rating – if requested.
3. **E&O Certificate** – Physical delivery of certificate, endorsement and copy of the complete terms and conditions of the policy, evidencing the fact that MUBI, its parent companies, subsidiaries and related companies, its sub-licensees, sub-distributors and affiliates, its officers, directors and employees have been added to a stand-alone producers E&O policy as an additional named insured. Limits are to be US \$ 3,000,000 per claim/US \$ 5,000,000 in the aggregate and the policy must remain in effect for at least three years from the first theatrical release of the Picture, with a deductible no greater than US \$ 25,000 and a guarantee of at least thirty days written notice of cancellation or other material change to the policy. If such insurance has not been concluded by Licensor as part of the production, MUBI will ask for delivery only in relation to a distribution deal. In such case MUBI will pay the cost for such insurance and such costs shall be Distribution Expenses outside the cap. For the avoidance of doubt, MUBI's waiver for the E&O policy is subject to Licensor's delivery and MUBI's acceptance of the Chain of Title documentation (and if requested, any underlying agreements).
4. ****IF APPLICABLE, List of any other contractual restrictions for cast and crew**.**
5. **Signed copies** of all fully-executed deal memos, long form agreements, licences, contracts, location agreements, waivers, consents and releases from the proper parties in interest permitting the use of any product, musical, literary or dramatic, copyrighted or otherwise, pertaining to all works of authorship, trademarks, names and likeness and other property of rights of third parties licensed for use in or in connection with the picture. These should evidence the permission to use any product, musical, literary, dramatic, copyrighted, trademarked and other material of whatever nature in the production, exploitation, or advertising of the picture, on a full buy-out basis, in perpetuity, throughout the universe, in all media now known or hereafter devised. To equally include all contracts stipulating talent approval over any aspect on the film's exploitation. To be provided with English translations alongside originals (Deepl, for example, is fine).

C.3. OPTIONAL - 4K MASTERS

To be delivered electronically to MUBI

1. **4K SDR Video Master** of the feature:
 - a. Format: Apple Prores HQ 4444
 - b. Color depth: 12 bits per pixel
 - c. Chroma Sampling: 444
 - d. Colorspace: Rec 709
 - e. Resolution: 4096 x 2160
 - f. Original Aspect Ratio
 - g. Fields: Progressive
 - h. Framerate: original framerate of the Picture
 - i. Original Version **without any subtitles**
 - j. Assembled file (not in reels)
 - k. For all titles and captions over image, textless backgrounds must be provided at the tail of the program
 - l. Created from the original DI-Files (DPX)
 - m. In perfect synchronization with the DCP
 - n. Film leader at the beginning of the file with a 2-pop (48 frames) before the start of the film
 - o. All audio mixes must be embedded at 48kHz and 24bit according to the following audio layout:
 - i. Tracks 1-6: Original Version Mix, 5.1
 - ii. Tracks 7-8: Original Version Mix, 2.0
 - iii. Tracks 9-10: Music and Effects Mix, 2.0
2. **ADDITIONAL 4K HDR Video Master** of the feature (if available):
 - a. Format: Apple Prores XQ 4444
 - b. Color depth: 12 bits per pixel

- c. Chroma Sampling: 444, ST. 2084
- d. Colorspace: Rec 2020 RGB
- e. Including chroma and luminance information as XML File according to MUBI's template
- f. Resolution: 4096 x 2160
- g. Original Aspect Ratio
- h. Fields: Progressive
- i. Framerate: original framerate of the Picture
- j. Original Version **without any subtitles**
- k. Assembled file (not in reels)
- l. For all titles and captions over image, textless backgrounds must be provided at the tail of the program
- m. Created from the original DI-Files (DPX)
- n. In perfect synchronization with the DCP
- o. Film leader at the beginning of the file with a 2-pop (48 frames) before the start of the film
- p. All audio mixes must be embedded at 48kHz and 24bit according to the following audio layout:
 - i. Tracks 1-6: Original Version Mix, 5.1
 - ii. Tracks 7-8: Original Version Mix, 2.0
 - iii. Tracks 9-10: Music and Effects Mix, 2.0

Exhibit C – LAB ACCESS LETTER
to the Acquisition and Distribution Agreement between
Licensor and MUBI regarding the feature film entitled

"FILM TBC"
(**"Picture"**)

Date: _____

To:

(please insert name and address of laboratory)

RE: **"FILM TBC"**

License Period: starting with execution of Distribution Agreement as of _____ and ending **ENTER LICENSE PERIOD HERE (IN WORDS)** years after **complete delivery and acceptance of material**.

Dear Sirs:

Please be advised that we, the undersigned, **[LICENSOR]**, **PLEASE ENTER ADDRESS** (**"Licensor"**) have granted MUBI, Inc. (**"MUBI"**) certain distribution and exploitation rights in the above named Picture as per agreement dated _____.

You hereby represent and warrant that there is on deposit in your laboratory the material as specified in **Exhibit C-1**, which is of such condition as to permit the manufacture therefrom of print, pre-print and digital material of technically acceptable commercial quality.

We hereby irrevocably authorize, direct and instruct you and you irrevocably agree to fill all orders from MUBI and/or its Sub-licensees at MUBI's and/or Sub-licensee's sole cost and expense for print, pre-print, digital material, any other laboratory services and material with respect to the Picture, as MUBI and/or Sub-licensee from time to time may order, subject to MUBI's ability to meet its obligation at the laboratory. You agree to deliver to MUBI and/or its Sub-licensee, upon their request, materials as they may order.

MUBI may move the item 2 as well as any optional items of the attached Exhibit C-1 on short-term loan (eight weeks) to another Laboratory with at least one (1) week prior notice from MUBI to Licensor and Laboratory.

The Licensor may move the items on short-term loan but should these materials be moved permanently to another Laboratory, you will notify the MUBI prior to moving the materials from your possession and the Licensor agrees to issue a new Lab Access Letter to the MUBI. You will not permit the materials to be removed from your possession until the MUBI has been provided with a lab access letter from the new laboratory.

All materials and services, which you may supply by order of MUBI are to be paid for solely by MUBI. You agree that Licensor shall not be liable to pay any of your charges which may be incurred by MUBI for any services or materials relating to orders for materials and services relating to the Picture nor assert any lien on the Picture or any material relating thereto as against Licensor by reason of failure of MUBI to pay charges which it may incur for materials or services relating to the Picture.

You agree that MUBI shall not be liable to pay any of your charges which may be incurred by Licensor or any of Licensor's other Licensees for any service and materials relating to the Picture and that you will neither refuse to process MUBI's order for materials and services relating to the Picture nor assert any lien against the Picture or any materials relating thereto as against MUBI by reason of failure of Licensor or any of Licensor's other Licensees to pay any charges which they may incur for services and materials relating to the Picture.

This authorization herein set forth may be modified only by written notice to you signed by Licensor and MUBI and shall lose its effect upon expiry of the licence term set out above.

Please indicate your agreement to the foregoing by signing in the space provided below.

Very truly yours,

Exhibit C-1

1. **Digital Source Master (DSM)**, Cineon or DPX files from the Digital Intermediate of the Feature Original Version of the film (with one back up copy on LTO) including the textless backgrounds to the main and end titles of and any other applicable text within the film.
2. **Digital Cinema Distribution Master (DCDM)** of the Feature Original Version on basis of the guidelines of the Digital Cinema Initiative (DCI) specifications (uncompressed TIFF files, 16-Bit linear CAP XYZ colourspace; 24-bit WAV files for audio) on LTO - Ultrium 5 or 6. All available subtitle versions must be included as DCI-compliant XML-files. Textless Backgrounds must be included for all titles and captions over image.
